【Frequently Asked Questions and Rice Station Addresses】

Q: **If the person is not a registered member or service user of the referring organisation, can the social worker still make a referral for a person who needs support in collecting the rice packs?**

A: Yes. However, the referring organisation should assess the applicant's information to check whether the applicant is eligible for the Scheme.

Q: **Will late application submissions with special valid reasons be accepted?**

A: In order to be fair to all applicants, the HKFYG will only handle the applications submitted on or before the submission deadline (31 December 2026). All submissions received after the deadline will not be processed.

Q: **Is submission of the application by fax or email accepted?**

A: Only original application forms are accepted. The application can be submitted by post.

Q: **How do you calculate the deadline for applications submitted by post?**

A: Postmark dates on the applications will be counted as the date of receipt for the application, which should be on or before the submission deadline. The organizer of the event is not responsible for any postal delay or any issues related to lost mail items.

Q: **Will the application results be sent directly to the applicant or through the referring social worker?**

A: The HKFYG will notify the referring social worker the application result by email and inform the applicant by post.

Q: **How will the organizer of the event determine whether the applicant should collect rice packs monthly or every two months?**

A: Families that meet the criteria will receive a 5kg rice pack per month. For individual applicants living alone will receive a 5kg rice pack every other month.

Q: **Can the rice pack be given or sold to others?**

A: Rice pack is NOT transferable. The applicant will be disqualified from the Scheme if such behaviour is discovered.

Q: **If the applicant cannot sign for the rice pack due to reading and writing difficulties, will there be any alternative method instead of signing?**

A: The applicant can have a photograph taken as proof of collection in place of a signature.

Q: **If the collected rice pack is found to be defective, can it be exchanged at the rice collection station?**

A: The rice pack cannot be exchanged once **it has been distributed**. Please check the rice pack carefully before signing for and collecting it.

Q: **If the applicant does not collect the rice pack according to the designated date and time, can he or she collect the uncollected rice pack in the following month?**

A: No. The applicant should collect the rice pack according to the designated collection schedule. If the eligible applicant fails to provide valid reasons and fail to collect the rice pack according to the specified time and date arrangements for three times, he or she will be automatically regarded as withdrawing from the Scheme. The HKFYG will terminate his or her eligibility for rice collection and refer the case to the referring social worker.
